

YEAR 6: Here are some websites and activities to do during the Easter Holidays.

These are optional, please make sure you have a break over the Easter Holidays.

- Purple Mash - <https://www.purplemash.com/login/>
- Easter Activities - <https://www.activityvillage.co.uk/easter>
- Top Marks - <https://www.topmarks.co.uk/>
- Literacy Shed - <https://www.literacyshed.com/home.html>
- Times Tables - <https://trockstars.com/>

Keeping Active

- Go Noodle - <https://www.gonoodle.com/>
- Supermovers - <https://www.bbc.co.uk/teach/supermovers/ks2-collection/zr4ky9q>

Learning all about science is really important – this website is great fun too!

- Experimental - <https://www.rigb.org/families/experimental>

This website shows investigations that are easy to do at home. There's a little film for each activity and it also explains what the science is behind it.

- Here is a link that will give you more information about it: <https://www.rigb.org/families/experimental/about>

You can also learn computer programming skills on this website

- Blockly - <https://blockly.games/>
- Scratch - <https://scratch.mit.edu/>
