

Year 1 Home Learning - 20.4.20

Read Write Inc. Phonics Lessons at Home

A new film every day

Monday to Friday - Available for 24hrs

Set 1 9:30am - Set 2 10:00am - Set 3 10:30am

Daily Phonics Sessions

https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIg9GdxtQ

Set 3 sounds

Daily Spelling Practise - igh, i-e, ie

Practise these spellings every day. Look at them, say them, cover them then write them and see if you were correct. Extra challenge - put them in a sentence.

On Friday get you adult to test you on them.

high	night	bright	light	nice
time	shine	smile	tie	pie

Weekly Written Task (break it up over the week)

Read the letter from Miss Houchin and Mrs Lloyd-Kitchen (See end of document)

Can you write us a letter back?

Think about what a letter needs (date, dear, who it is from).

Tell us what you have been up to and share your letter on dojo if you can. We would love to read them.

Daily Maths

- Reading, writing and counting with numbers to 50.
- Use your number lines to practise adding and subtracting e.g. $24+5=$ $38-7=$
- I have set a game on purple mash that will help with number bond work

<https://www.purplemash.com/sch/ljs-sy8>

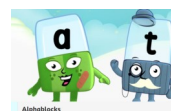

Weekly Maths - Measuring Capacity (break it up over the week)

1. Find empty containers put water in them—explore the words full, empty, nearly full and nearly empty.
2. Compare how much water a container can hold using the words more and less.
3. Fill 4 identical containers with different amounts and order from most full to least.
4. Investigate—how many cups/yoghurts pots (anything small) does it take to fill different size containers? Order these containers from largest capacity to smallest capacity.
5. Make potions - e.g. 1 cup of water, 2 cups of grass, a cup of mud. (if you have food-colouring you can have different colours of water and add them).

Useful websites

<https://www.bbc.co.uk/cbeebies/shows/alphablocks>

For those of you who want more, I will upload extra worksheets for English/Maths - these can be printed or the answer written in blue books

Other Learning

Science

Senses experiments (cGet the whole family involved and complete as many as you can)

- Smell/Taste - Can you identify the different foods by their smell and taste?
- Touch - Blindfold yourself. Feel an object, can you guess what it is?
- See - get a tray and place several items on it. Cover with a tea towel. Remove the tea towel for 30 seconds and allow children to look at the items. Place the tea towel back over the tray. Can the children remember what items were on the tray.
- Hear - stand close to each other. Adult makes a noise. Keep taking steps back until your child can no longer hear you. How far away did they get? What happens if you make the noise quieter/louder?

Tick off as many of these activities as you can

Make your own lunch	Sing a song	Put on a performance for you family	Have a dance off
Read a story to someone in your family	Help your grown ups with the cleaning	Draw a picture of someone in your family	Complete a puzzle or play a game

Have a lovely week everyone

Friday 17th April 2020

Dear 1 Ash and 1 Oak,

We hope you are having lots of fun doing your learning from home. We have been very busy. Miss Houchin is school on Thursdays and Mrs Lloyd-Kitchen is in on Tuesdays. It is very quiet without you all there. Miss Houchin is keeping herself home busy at home by taking her dog, Dexter, on a long walk every day and Mrs Lloyd-Kitchen has been busy celebrating her sons 18th birthday! What have you being busy doing?

We look forward to hearing from you.

Love from,

Miss Houchin and Mrs Lloyd-Kitchen
