

Dear 3 Oak and 3 Ash,

We hope you are well and have had a lovely break for Easter and that you have managed to relax (parents too)!

Unfortunately, we will not be returning to school as normal still this week, so we have uploaded another week's load of work for you to have a go at. I know it's very different doing work at home, but please try your best as you would in class. This is also very different for your parents so be patient and polite, just as you would with your teacher please!

There is also a Year 3 Unit uploaded under this week's folder on the website based on Talk for Writing. This is the scheme we use for teaching English in school and they have created a home learning pack which is quite nice.

For the week beginning 20<sup>th</sup> April, please read pages 1-6 and then have a go at completing the tasks on pages 7 and 8 (what do the words mean? And grammar games).

In particular, if you can, try to use some of the new words you come across in your own writing.

We are really looking forward to seeing what you've been up to and catching up with you all.

Best wishes,

Miss Dakers and Miss Baillie
