

Dear 3 Oak and 3 Ash,

It was lovely to hear from so many of you this week. If you haven't done so already, please do make contact with us. It doesn't need to be photographs of your children or their work, just a little hello would be lovely!

The Year 3 Unit - Trolls has been uploaded again for this week. Just to point out again, this does not need to be printed – we will try to choose activities from it that the children can just copy out and write themselves in their workbooks.

For the week beginning 27<sup>th</sup> April, please re-read pages 1-6 and then have a go at completing the tasks on pages 9 and 10 (sentence of 3 game and add-on adverb game).

Have a great week and we look forward to hearing from you all again.

Best wishes,

Miss Dakers and Miss Baillie
