SEN children (Mrs Thomas's spelling group) should look at the Year 2 or Year 3 English lessons on BBC Bitesize. <https://www.bbc.co.uk/bitesize/primary>

Look at the power point about the **homophones** to, too and two and then try the worksheet. The sheets don't need to be printed- you can write in your blue home-school book.

Write a story using the story ideas generator saved in resources.

Read the non-fiction text about whales. (Click on the link or see the saved sheet) Cut out the question cards on page 2 and put them in a pile, face down. Pick one card at a time and see how much you can remember from the text.

Science

Watch this video and then **label the parts of a flower.**

<https://www.bbc.co.uk/teach/class-clips-video/science-ks1-ks2-ivys-plant-workshop-the-anatomy-of-the-flower/zjmhkmn>

Look at the worksheet called **parts of a flower** and either print it or copy it. Add information about each part of the flower.

Next, you could look at a real flower and carefully pull it apart. **Ask first-don't destroy all the lovely flowers in your garden!** See if you can identify and of the parts that you have learnt about.
