

## Design a medal task:

**What is a medal?** A medal or medallion usually have a commemorative purpose of some kind, and many are given as awards. They may be intended to be worn, suspended from clothing or jewellery in some way

This medal celebrated the end of the First World War and was given to soldiers who had fought in active theatres of the war. It was a symbol of **great pride** but its design was also highly **symbolic**.

Bronze medal, not too expensive after the war, but long lasting.

Your task is to design a medal for VE Day, for people who took part in the Second World War. It can be any shape or size.

Can you include:

- The years of the war (1939 – 1945)
- Tell us what it is made out of
- A brightly coloured ribbon
- A symbol to show the bravery of the people.
- Labels on your drawing explaining the different parts.

You could even make your design afterwards from cardboard and take a picture. We would love to see them.
