

Dear 3 Oak and 3 Ash,

Hope you are continuing to stay safe and well. It has been lovely to catch up with a lot of you this week – thank you for taking the time to contact us.

For the week beginning 4th May (May the 4th be with you! Sorry, couldn't resist!), please have a go at completing the tasks on pages 11 and 12 of the Trolls Unit (continuing 'add on adverb' and 'engaging adverbs game'). In particular, if you can, try to use some of the new words you came across in last week's tasks in these week's tasks.

This week, I have also attached a link to White Rose maths – this is what we use in school to teach maths to your children. It is a fantastic resource to be able to use at home and they have helpfully provided a short video clip for each section that your children can watch. This work can be completed online or written down, no need for it to be printed.

For the week beginning 4th May, please can your child start at Week 1? As you can see, we are a little behind the units, so it'll be best to start at the beginning.

As always, please don't hesitate to contact us if you need anything.

Best wishes,

Miss Dakers and Miss Baillie
