

Dear 3 Oak and 3 Ash,

It was lovely to hear from so many of you again last week. We hope you had a lovely weekend and look forward to hearing about/seeing how you may have celebrated VE on Friday.

The Year 3 Unit - Trolls has been uploaded again for this week. For the week beginning 11th May, have a go at completing the tasks on pages 11 and 12.

For White Rose maths this week, please follow the link in the planning document in the maths section. This week you will be completing the work for Week 2. This is the folder that says Week 2 only, it is not Summer Term week 2 – we are catching up.

I have copied in links to Oak Academy where appropriate for this week's learning tasks. You may wish to have a look yourselves and choose some activities of your own.

Have a great week and we look forward to hearing from you all again.

Best wishes,

Miss Dakers and Miss Baillie
