Reading

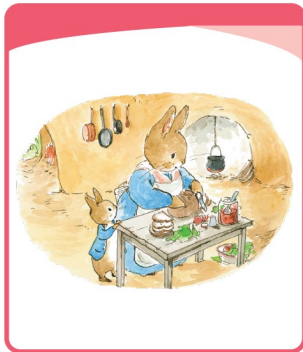

<https://www.youtube.com/watch?v=gMyd2ia6mdU> Listen to the story 'A Spring Surprise'

I have uploaded questions about the story onto the school website. You can print this off, discuss the answers with a parent or write the answers in your blue books.

Written activity

Once you have listened to the story 'A Spring Surprise' look at the pictures on the sheet called 'sentence writing prompts'. Use these pictures to help you write a sentence. You can use the sentences starter that has been given to you or write your own sentence.

Daily Maths

- Reading, writing and counting with numbers to 50. (If you are confident with this look at numbers to 100)
- Use your number lines to practise adding and subtracting e.g. $24+5=$ $38-7=$
- Continue to play the number bond bubble game on purple mash <https://www.purplemash.com/sch/ljs-sy8>
- There is also a number bond game called hit the button <https://www.topmarks.co.uk/maths-games/hit-the-button>

Weekly Maths - Measuring Time (break it up over the week)

Money, Money, Money!

In year 1 we begin to look at money by firstly learning the value of our coins and notes.

This week spend time looking at coins and learning their names e.g. 5 pence, 50 pence etc.

- Get coins out and look at them. Sort coins into piles of the same.
- Play a matching game matching coins to the values written down
- Order coins from 1p to £2
- Learn the names of the notes.

Do not worry if you need to spend all week learning to recognise and name the coins... this can be tricky! However, if your child quickly understands and learns the names of the coins then you can move on to the following .

- Discuss that the size of the coin doesn't mean it is worth more.
- Take a 2p 5p and 10p. Explain that the value of these coins is 2 one pence pieces , 5 one pence pieces and 10 one pence pieces.
- Look at ways of making 2p, 5p and 10p - you could set up a simple shop game. (do not go higher than 10p for now)

Time Capsule Project

Mrs Grant has asked us to set you a very special challenge.

She would like you to create a time capsule to remember your time during lockdown. She would then like you to keep them safe and bring them in on your first day in Year 2. This time next year you will have a chance to look in your time capsule and see how things have changed.

The pictures shows possible things you could include.

You can create it however you like

- In a special tin or box
- Using a shoebox
- Creating a scrap book
- Putting it in a big envelope

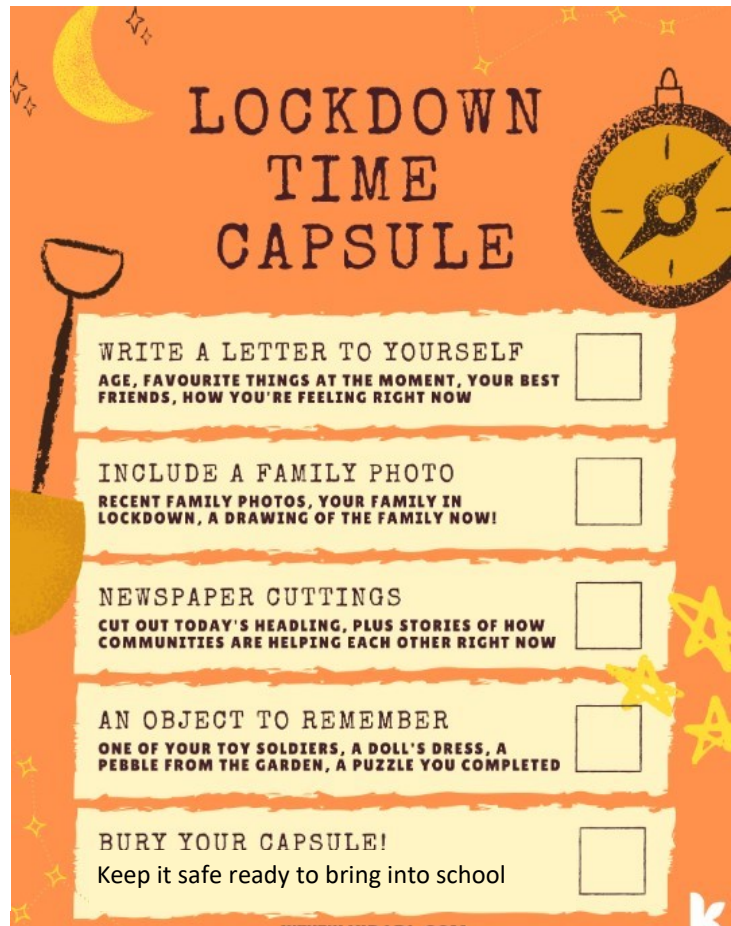

WHEN I GROW UP I WANT TO BE:

THE 3 THINGS I AM MOST EXCITED TO DO WHEN THIS IS OVER:

<hr/> <hr/>	<hr/> <hr/>	<hr/> <hr/>

I AM MOST THANKFUL FOR

Tick off as many of these activities as you can

<p>Look at Beatrix Potters characters and have a go at drawing one</p> 	<p>Have a picnic in your garden or on your sitting room floor if the weather is bad.</p>
<p>Learn to count to 10 in French Un, deux, trois, quatre</p>	<p>Practise your throwing and catching skills (If you don't have a ball use some crunched up paper)</p>
