## Y3 Home Learning Daily Timetable

<b>Reading</b>	<b>Maths Fluency</b>	<b>Spelling</b>
<p>Read for 30 minutes every day. If you've run out of AR books, find something else. It could be an appropriate magazine, newspaper, website, game instructions or a favourite book from home etc. Remember you could read to a sibling or have family reading time. Get the duvets out, build a den and have bedtime stories at any point in the day! With permission, you could also read to a friend or family member on the phone.</p> <p>J K Rowling has announced she is publishing a stand-alone fairy tale called 'The Ickabog' and will make it available for free online for children in lockdown or back at school. The Harry Potter author said she wrote the story 10 years ago but put it away in a box in the attic. <i>The Ickabog</i> will be published for free on the website below, in instalments, over the next seven weeks from the 26<sup>th</sup> May, a chapter or two, at a time. Do have a look.</p> <p><a href="https://www.theickabog.com/home/">https://www.theickabog.com/home/</a></p>	<p>Keeping maths facts on the tip of your tongue is a really useful skill to have. Choose one of these to practise today.</p> <ol style="list-style-type: none"><li>1) The 3 x table</li><li>2) The 4 x table</li><li>3) The 8x table</li><li>4) Mentally adding or subtracting single digit numbers.</li></ol> <p>Have a go at practising your number bonds to 10, 20 and 100. What do you notice about number bonds to 10 and 100? E.g. <math>1+9=10</math> <math>10+90=100</math>. These are basic skills but are so important and need to be recalled fluently.</p>	<p>Practise the spellings below every day for the week. You may want to be tested on Friday to see how well you've learnt them. If you get some wrong, add them to next week's list and have another go. If these words are too tricky, try the KS1 common exception words first.</p> <p>This week we are looking at the suffix 'ness'. We can add -ness to many root words to make a noun. If a root word ends in a consonant + y, we swap the y for an i before adding the suffix -ness e.g. happy, happi + <b>ness</b> <b>happiness</b></p> <p>silliness    jolliness    sloppiness bossiness    dizziness</p> <p>Now add 'ness' to these root words: spicy    sleepy    chatty    cheek    giddy</p> <p>Can you find out what they mean – try writing them into a sentence.</p> <p><b>Challenge:</b> Can you drop the words into a conversation with your family?</p>

		<p><i>(Note: The Yr 3/4 statutory words can be found at the back of your Reading Diary).</i></p> <p><i>Words of the week: affectionate, appreciative and tampering</i></p>
<h2 style="color: #8B0000;">Writing</h2>	<h2 style="color: #8B0000;">Maths</h2>	<h2 style="color: #8B0000;">Topic</h2>
<p>As usual, there are two images to look at today. Choose which image you'd like to use. Click on the link below to access some questions to help children think more deeply about what they are seeing. (This will help with ideas for writing.) You don't need to ask every question: just choose the ones you think will suit your child best.</p> <p>Once you've discussed the picture choose one of these tasks.</p> <p>Image 1  <a href="https://www.onceuponapicture.co.uk/portfolio_page/by-the-light-of-the-lanterns/">https://www.onceuponapicture.co.uk/portfolio_page/by-the-light-of-the-lanterns/</a></p> <p>Image 2  <a href="https://www.onceuponapicture.co.uk/portfolio_page/windy-day/">https://www.onceuponapicture.co.uk/portfolio_page/windy-day/</a></p> <p>Long task:  For the long task, have a go at writing a recount of an adventure that you have been on. What did you do? What made it different to any other day?</p>	<p style="text-align: center;">Shape- Symmetry</p> <p>Can you fold these shapes to find a vertical line of symmetry?</p> <div style="text-align: center;">  </div> <p style="text-align: center;">You may want to draw and cut these out on larger paper.</p> <p>Draw the vertical lines of symmetry on these shapes.</p> <div style="text-align: center;">  </div> <p style="text-align: center;">Can you spot any items around your house that have a line of Symmetry. Make a list of what you find. Do some object have more than one line of symmetry?</p> <p style="text-align: center;"><b>Challenge- Reasoning</b></p>	<p style="text-align: center;">Art</p> <p><b>Banksy</b> is a secretive England-based street artist who has been producing pieces since the 1990s. His artwork often shows his dark humour and a distinctive stencilling technique. This week we would like you to research Banksy. His latest piece was delivered to and unveiled at University Hospital Southampton, in south England. Hospital chief executive Paula Head said: "So proud to reveal this amazing piece of art 'Painting for Saints', created by Banksy as a thank you to all those who work with and for the NHS and our hospital."</p>

Try to make it exciting for the reading making them wish that they had the experience that you had. In your writing, have a go at including subordinate conjunctions to extend your sentences and check each sentence for any punctuation or spelling mistakes. Remember, write a sentence then check it. Read aloud always helps you with this process!

Subordinate conjunctions:

<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/zqk37p3>

Short task:

You are able to interview one of the characters from one of the pictures. You have 7 questions to ask them. What will you ask? You have to make each question count.

Remember to check each sentence for mistakes once you have written it. Have you spelt the words that you know correctly and have you included all the appropriate punctuation?

Can you draw more than one four-sided shape that has a vertical line of symmetry?

Use these clips to support you with your learning today.

<https://www.bbc.co.uk/bitesize/topics/zrhp3/4j/articles/z8t72p3>

Can you look and record information about the mysterious Banksy and tell us about the story behind his latest artwork that introduces new superhero - a nurse

Science

Did you know it was World Otter Day on 27<sup>th</sup> May? What can you research about these illusive creatures? What sort of habitat do they like? Try watching some of Springwatch this week - it's been fantastic - they have lots of live cameras on many nesting birds too.
