

FOR ALL OF THIS WORK, IF YOU CAN'T PRINT OUT, JUST WRITE IT IN YOU BLUE BOOKS.

Reading

Continue to read for 20 mins a day, either a school book or one from home. Reading for enjoyment is very important.

Comprehension

- *Easy
- ** Middle
- *** more challenging

Choose the most appropriate for your child

Fidget Spinners (Differentiated sheets)

Also use www.oxfordowl.co.uk
(Children's logins are on the folders).

Writing

Learn the story of the Tiny Crusader.

(See separate English plan).

Spelling

Continue working through from Oxford Owl workbook and website in the Extra Practice Zone:

<https://www.oxfordowl.co.uk/>

(Logins under Reading Section)

Spelling homework Year 4 Unit 8 – words with the sound s spelt sc

Some children are working on Year 3 spelling book Unit 5 – words ending in - ture

Grammar Hammer

Some will do Stage 2, some Stage 3 and most will do Stage 4. The children will know which, it won't hurt them to go over previous work.

There is also some grammar work in the English plan.

SPAG Mat 2

- *Easy
- ** Middle
- *** more challenging

Choose the most appropriate for your child

Maths:

Fluent in Five:

There are 5 days of questions and answers, so start your maths each morning doing 1 day every day. The answers are there for you to check your work after you have answered all five questions. This is exactly the same as we do every morning in class.

White Rose:

www.whiterosemaths.com/homelearning/year-4/

It is under summer term week 7

Watch the tutorial video and after click on the link at the side of the video for the BBC Bitesize website and do the extra practice lesson that goes with it. Then complete the worksheet which is on the school website.

Do one lesson a day which last for approx. 30 mins.

Most will do Year 4 - Decimals
Some may need to do Year 3 - Fractions
Some will need to do Year 2 – Fractions

Computing – using Purple Mash

Continue with this

Children will know their log ins

https://www.purplemash.com/#tab/pm-home/computing/2code_lessons

Go into the computing section and then the second icon for 2Code and then do any of the programmes in the Chimp section

Internet safety

<https://www.purplemash.com/#tab/pm-home/computing>

Learn to touch type

<https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr>

Geography

A detailed look at Great Britain and the United Kingdom.

What is the difference between the UK and Great Britain?

Which countries are in GB?

Which countries are in UK?

What are the capital cities of England? Wales? Scotland? N.Ireland?

What are the major rivers?

Can you name the counties?

Where is York? Colchester? Why are they important historically?

Can you find any interesting facts about Shropshire? Ludlow?

See blank map for resource.

123Maths needs to be completed DAILY for those children who use this intervention.

Assertive mentoring:

Again, some children will need to do Year 2, some Year 3 and most year 4

Times tables:

Ultimate times tables tests year 4 - There are 5 tests so do 1 test daily. There is an assessment for each test to complete once you have marked it so you can see how well you did in the test. (the answers are there so no cheating).

If you want extra practice, then continue with the following and choose whichever times table you know you need to practice on:

<https://www.timestables.co.uk/8-times-table.html>

Complete all the 5 steps. Then challenge yourself and do the games

Maths Mat 5:

(page 2 are the answers, so no cheating!)

Art

Draw a landscape. Link it to views of Ludlow.
<https://www.youtube.com/watch?v=v368l7nAltE>

PE

PE Joe Wicks workouts every morning at 9 o'clock on his Youtube channel.

Real PE at home – online learning resources. The website address is:

home.jasmineactive.com

Parent email: parent@ludlowprim-1.com

Password: ludlowprim

Science

Using the creatures you identified last week, (or creating a list of insects you might find in a local habitat e.g. spider, worm, millipede etc) create a branching database to identify each insect. Focus on choosing yes or no questions that will separate the insects into clear categories e.g. can it fly? Does it have 8 legs.

There is an example of a branching database to help you.

Extra: If you have completed this work or would like extra useful daily lessons for all subject

<https://www.bbc.co.uk/bitesize/dailylessons> has several online.
