

Dear 3 Oak and 3 Ash,

I hope you all had a lovely weekend. What a shame the weather has changed so much but hopefully you've been able to enjoy some fresh air and puddle splashing!

For the week beginning 22nd June, please continue with the Trolls Unit – some of you may be doing less/more than what we are “setting” so please feel free to work through this at a pace that suits you. As always, if you can, try to use some of the new words you came across in last week's tasks in these week's tasks.

Here is the link to Oak academy:

<https://www.thenational.academy/online-classroom/year-3#subjects>

There are some really useful videos on Oak Academy for maths this week. If you select Maths and then scroll down, there are plenty of resources to help with the lessons this week.

The White Rose Maths for this week is all uploaded to the folder for this week's learning, along with the answer sheets. Please remind your child to show their work rather than doing everything in their head. Not only does this avoid mistakes being made, in a test, if they got the working out correct but the answer wrong, they may still get a mark for showing the correct method.

Unfortunately, we didn't hear from many of you regarding Sports Day last week so it would be great if you could give that a go. Looking forward to catching up with you and hearing about what you've been up to.

Best wishes,

Miss Dakers and Miss Baillie
