

Now, it's time for you to write your 'Hot Task'.

Today, you need to choose something to write a newspaper article on and use the planning sheet to plan it in detail.

Think carefully about what event you could write about. This can be a real-life event or a fictional one, from a story or film.

Wednesday - Use the planning sheet to plan your Hot Task

Thursday - Write the first draft of your newspaper article

Friday - Edit yesterday's work and write up in neat
