How can we remember to say thank you more?

What could we say it for and who to? Why not send a thank you message to someone?

In Every Way – Lyrics

When I'm on my own,
You make me strong,
You make me feel like I belong.
If I lose my way
You're always there,
Guiding me through and I know you care.

And you'll always be
So very special to me,
And I mean it when I say:
'Thank you in every way.'

Thank you, thank you, thank you,
I wouldn't be me without you,
Remembering's tough,
I know I don't thank you enough,
But I mean it when I say:
'Thank you in every way.'

T is for true friendship,
H for your helping hand,
A for our adventures,
N that never end.
K is for your kindness,
S you're my guiding star.
And for being who you are
I just want to say:

Thank you, thank you, thank you
For ev'rything you do.

Thank you, thank you, thank you,
I wouldn't be me without you.
Remembering's tough,
I know I don't thank you enough,
But I mean it when I say
'Thank you in every way.'
