

Dance Monkey Body Percussion KS1

Link to Musication:

<https://www.youtube.com/watch?v=oOxL85H3wug>

Instructions:

Listen to this famous Hungarian Dance music by Brahms and play along on home-made instruments, such as empty plastic bottles or tubs. Choose one coloured symbol on the video and tap in time when the coloured blocks disappear!

Try again, this time on different sound-makers following a different colour. Or get someone to join in and play a different part!

Can you keep in time as it gets faster?
