

## Monday 6<sup>th</sup> July 2020

<b>Reading</b>	<b>Maths Fluency</b>	<b>Spelling</b>
<p>Read for 30 minutes every day. It could be an appropriate magazine, newspaper, website, game instructions or a favourite book from home etc. Remember you could read to a sibling or have family reading time. Get the duvets out, build a den and have bedtime stories at any point in the day! With permission, you could also read to a friend or family member on the phone.</p>	<p>We've spent a long time at school learning efficient written methods and we need to keep practising them to make sure we don't forget them.</p> <p>Today's focus is addition</p> <ol style="list-style-type: none"> <li>1. <math>247 + 588</math></li> <li>2. <math>243 + 85</math></li> <li>3. <math>601 + 199</math></li> <li>4. <math>453 + 498</math></li> <li>5. <math>648 + 199</math></li> </ol>	<p>Practise spellings below every day for the week. You may want to be tested on Friday to see how well you've learnt them. If you get some wrong, add them to next week's list and have another go. If these words are too tricky, try the KS1 common exception words first.</p> <p>This week we are looking at words ending in -al. Read the words and exaggerate the last sound.</p> <p>magical   plural   vocal   tropical          medical   comical   capital   animal          crystal   signal   festival   sandal</p> <p>How many syllables do the words above have? Is it one, two or three?</p> <p><b>Words of the week:</b>  <i>Therefore, incident, accidental</i></p> <p>Can you find out what they mean – try writing them into a sentence.  <b>Challenge:</b> Can you drop the words into a conversation with your family?</p>
<b>Writing</b>	<b>Maths</b>	<b>Topic</b>
<p><u>Character description</u></p> <p>Reading comprehension- Word meaning</p>	<p><u>White Rose Maths</u></p> <p>This week, we are re-visiting fractions using White Rose Maths.</p>	<p><u>P.E</u></p>

Here are the links to your English lessons for this week:

<https://classroom.thenational.academy/lessons/character-description-reading-comprehension-word-meaning-16023a>

<https://classroom.thenational.academy/lessons/character-description-reading-comprehension-compare>

All the work has been uploaded to the website along with the lesson videos and answer sheets.

Fractions can be a tricky concept of maths to grasp. It is fine for you to just have a go at the bits you think you can do, don't pressure yourself to do all of it if you know it's going to be tricky.

I will be available via dojo to help if you need it.

After competing in your own Sports Day's at home, we would like you to create your own activity for someone in your family to complete.

Think about how you will score it and what the rules are.

You may want to make it a competition between family members.

Create a diagram explaining exactly how to do it!

Challenge: can you write a set of instructions for your games? Remember, they need to be precise!

### **Music**

Play the video, complete the activities and make your way through the lesson. Remember, you can pause the video at any point! When you have completed the lesson, take the quiz to see how much you have remembered. We would love to hear from you as to how you are getting on and to answer any questions you may have. Just dojo your class teacher.

Have a look at the file 'In Every Way'. Have a go at learning the song and following the activities provided.
