<p>Maths</p> <p>Fluent in Five: There are 5 days of questions and answers, so start your maths each morning doing 1 day every day. The answers are there for you to check your work after you have answered all five questions. This is exactly the same as we do every morning in class.</p> <p>White Rose: www.whiterosemaths.com/homelearning/year-4/</p> <p>It is under summer term week 11 Watch the tutorial video and after click on the link at the side of the video for the BBC Bitesize website and do the extra practice lesson that</p>	<p>Computing – using Purple Mash Continue with this Children will know their log ins</p> <p>https://www.purplemash.com/#tab/pm-home/computing/2code_lessons Go into the computing section and then the second icon for 2Code and then do any of the programmes in the Chimp section</p> <p>Internet safety https://www.purplemash.com/#tab/pm-home/computing</p> <p>Learn to touch type https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr</p>	<p>Geography https://www.bbc.co.uk/bitesize/articles/zc3gp4j Learn about rivers, including what they are and how they are formed.</p> <p>This lesson includes:</p> <ul style="list-style-type: none"> two short films on rivers two activities to build your knowledge <p>French https://www.purplemash.com/#app/premium/french Learn the words for 'The Human Body'</p>

goes with it. Then complete the worksheet which is on the school website.

Do one lesson a day which last for approx. 30 mins.

Most will do Year 4 – Symmetry & Position
Some may need to do Year 3 – Measures & Statistics
Some will need to do Year 2 – Time

123Maths needs to be completed DAILY for those children who use this intervention.

Independent Recap on topic learnt last week

The worksheets cover:
Year 2: Measurement
Year 3: Measurement
Year 4: Geometry

They provide opportunities for pupils to independently practise what they've been learning.

There are 4 worksheets in each pack. One for day Monday to Thursday. Each worksheet includes:

- 4 arithmetic questions for fluency practice
- 6 or 9 consolidation questions

PSHE

The Bag of Concerns

Go through the power point and give the children a chance to voice any worries or concerns they have about the return to school in September. If they have any questions or worries that we can help with, please contact us via Dojo. We felt this might be necessary as they didn't have a chance to meet their new teacher for next year.

Science

Find out about swifts. You may have seen them flying over Ludlow. Watch out for groups of swifts flying fast at roof height, often screaming loudly – this means they're breeding nearby. Swifts nest in holes so you might see swifts entering holes in buildings.

PE

Joe Wicks workouts every morning at 9 o'clock on his Youtube channel.

Real PE at home – online learning resources.

The website address is:

home.jasmineactive.com

Parent email: parent@ludlowprim-1.com

Password: ludlowprim

- 1 challenge question to stretch and extend.

Times tables:

Ultimate times tables daily practice - There are 5 tests so do 1 test daily all focusing on the 12 times table.

If you want extra practice, then continue with the following and choose whichever times table you know you need to practice on:

<https://www.timestables.co.uk/12-times-table.html>

Complete all the 5 steps. Then challenge yourself and do the games

Maths Mat 4: Summer 2

(page 2 are the answers, so no cheating!)

<https://www.woodlandtrust.org.uk/trees-woods-and-wildlife/animals/birds/swift/>

Make a poster including a drawing with labels detailing your top 10 facts about swifts and their habitat.

Extra: If you have completed this work or would like extra useful daily lessons for all subject <https://www.bbc.co.uk/bitesize/dailylessons> has several online.
