## **School Lunch Arrangements**

Dear Parents and Carers,

During September, we have been working closely with the school meal provider and our own kitchen staff to put in place plans to expand the school lunch menu to include a hot meal option. We are now able to offer this to all children in year groups Reception to Year Six. This will commence on **Monday 5<sup>th</sup> October** and will be in place for the rest of the Autumn term. Due to the current school restrictions in place, this is still a limited choice. The arrangements will be reviewed regularly, in line with DFE guidance. The following system is in place for each site:

### **Sandpits Road Arrangements**

- All children YR to Y2 will continue to receive a universal free school meal, please do not send in a packed lunch from home. There is no parental cost involved.
- The children will have a choice of a hot meal (including a vegetarian option) or a school packed lunch option.
- The weekly menu choices will be on the school website from Thursday 1<sup>st</sup> October. You will need to look at these options before you book the school meal.
- You will then need to use the school money system (as you do already) to select the option required. Please ensure this is done in advance and by midnight the night before a lunch is required.
- The children will now eat in the school hall on a rota system in their bubble.
- Please ensure all children have a water bottle with them in school.

### **Clee View Arrangements**

- The children in Y3-Y6 will now have the option of a packed lunch from home or a school hot/packed lunch.
- When ordering a lunch, there will be a choice of a hot meal (including a vegetarian option) or a school packed lunch option.
- The weekly menu choices will be on the school website from Thursday 1<sup>st</sup> October. You will need to look at these options before you book the school meal.
- You will then need to use the school money system (as you do already) to select the option required. Please ensure this is done in advance and by midnight the night before a lunch is required.
- To enable all year group bubbles to access the hall for hot meals, only the children eating a school hot lunch will eat in the school hall. All other children will continue to eat their lunch in the classroom.
- Please ensure all children have a water bottle with them in school.

**All changes will start Monday 5<sup>th</sup> October. The Lunch menu will be on the school website from Thursday 1<sup>st</sup> October.**

Thank you for your support and patience over the last few weeks, we will continue to review our menu and choices over the next few weeks and hope at some point that we will be able to expand the menu further.

Kind Regards

Kate Mather
