1st April 2021

Easter Holidays

Dear Parents and Carers

We finish for the Easter break at the end of school today, Thursday 1st April, and reopen to pupils on Tuesday 20th April, Monday 19th being a PD day for staff only.

During this two week period, we ask that you get in touch with school in the following circumstances:

- a) if your child develops symptoms of Covid19 within 48 hours of last being in school, and
- b) you receive a positive test result up to and including Wednesday 7th April.

If you do need to get in touch with school, please email me kate.mather@ludlowprimaryschool.co.uk. In all other situations over the holidays, you should get in touch directly with NHS Test and Trace.

The main symptoms of Covid19 are:

A high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)

A new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)

A loss or change to your sense of smell or taste – this means that you have noticed that you cannot smell or taste anything, or things smell or taste different to normal. If your child has any of these symptoms, get a test to check if they have coronavirus and stay at home until you get the result.

On behalf of all the staff, I would like to wish you a happy and healthy Easter break.

We look forward to welcoming pupils back to school on Tuesday 20th April

Very best wishes

Kate Mather
Headteacher
