Acorns Nursery

We are currently full, but we still have some places available for September 2022

Acorns Nursery forms part of the exciting Early Years Foundation Stage department at Ludlow Primary School. We are a setting taking children from the age of 2 years. We have our own self-contained, spacious facilities together with a large natural outdoor area. We have full access to all school facilities. We have a nurturing, supportive and experienced team of staff who value each child as unique and independent learners. Our provision is child-led which means that staff continually observe, assess and interact with children to get a comprehensive grasp of their stage of development, unique styles of learning and areas of interest. It is important to us that all parents are actively encouraged to be involved in their child's education and we place great importance on communication between the setting and home.

We understand that choosing the right setting for your child is an extremely important decision.

We are open term time - Monday to Friday - 9.00am to 3.00 pm. We offer morning (9.00am-11.30am), afternoon (12.30pm-3.00pm) or full day sessions.

Please contact the school office on 01584 873602 if you would like to come and see us.

We offer 24U funded places for 2 year olds and also 15 and 30 hour funded places.

Parents' Evening

We are very keen to run this term's Parents Evenings face-to-face, but we also want to be sure that these run with as little risk as possible to parents and staff. To that end, we have decided to move the date back a month - from the beginning of April to the beginning of May.

It is proposed therefore that they will take place on Wednesday 4th and Thursday 5th May. Details of how to book will be sent out following our return after the Easter holidays. It is hoped that this postponement will allow these to go ahead but obviously, the situation will be reviewed should the need arise.

Thank you for your understanding.

Red Nose Day

A huge thank you for your generosity with our fundraising for Red Nose Day.

All the money for non-uniform day and the cake sale has been counted and this has raised an amazing total of

£681.16

Here are some pictures of our Key Stage 2 children helping to count the money and selling cakes.

You also bought a total of 240 red noses across both sites at £1.50 each!

Thank you

The curriculum at Ludlow Primary School has four key drivers which underpin its content.

Each half term, we are going to focus on one of our curriculum drivers, raise its profile and celebrate our children who endeavour to improve in that area.

This half term we want to see our children understand that they are a Citizen of the World.

What do our children need to develop? What does being a Citizen of the World look like?

- Having a sense of where we live
- Developing geographical knowledge of where we live and how this fits in with the wider world
- Showing knowledge of current affairs
- Having pride in their heritage
- Showing an awareness of the diversity of the UK and the wider world

How can parents help support this at home? What opportunities can be created outside of school?

- Discuss where Ludlow fits in with the wider world, in relation to both the UK and the rest of the world.
- Looks at maps, globes and atlases to spot different places.
- Talk about any significant events which are happening around the world (e.g. religious festivals, the Olympics etc).
- Discuss how different countries and cultures compare to our own.
- Talk to children about different cultures within our country and discuss different ways that we can be respectful of these cultures.
- Read books which are set in different countries, or that celebrate different cultures.
- Listen to world music or learn another language together.

When we see children being a 'Citizen of the World', what do we do?

We celebrate with verbal praise and reward with a Citizen of the World sticker. Friday assembly will have a designated slot for certificates.

Eliseia-Jai Warner

Kyle Edwards

Florence Fleming

Owen Powell

Betty Suthern

Absence

Please remember that if your child has sickness and/or diarrhoea, there must be a clear 48 hours between the last episode of illness and a return to school. Please also keep in regular contact with us. To report an absence on day one, a telephone call should be made (you can of course leave a message on either site). From then on, contact every second day is ideal – again by telephone.

Easter Celebration Menu

Tuesday 26th April

Please book online in
the usual way by
midnight the day
before.

Monday 25th April - return to school
From Wednesday 27th April - Year 2 swimming for 10 weeks
Monday 2nd May - Bank Holiday
Wednesday 4th & Thursday 5th May - Parents' Evening

Special Assembly

We had a special visitor join us in assembly on Wednesday morning, as part of our focus on being 'Citizens of the World'. Stef, one of our parents, came in to talk to us about her home country of Sardinia.

She talked to us about lots of things including the language, the food, clothes, and special games they like to play.

The children found it really interesting and asked lots of questions. Here she is talking to our children on the Sandpits Road Site. Stef then visited Clee View to talk to the children up there.

Thanks very much, Stef! It was fab!

If you, or someone you know, thinks you might be able to come and talk to us about anything special related to any of our curriculum drivers (Confident Communicators, Growth Mindset, Citizen of the World & Healthy Body, Healthy Mind) please do get in touch.
