## A Parent's Guide to Fake News

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

**Don't believe everything you see online!**

Young people can very easily be dragged into things without parental guidance and support.

**Online safety is when young people know who they can tell if they feel upset by something that has happened online.**

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.

## Exciting new interactive online security resources for 7-11 year-olds.

Award-winning interactive online security resources for 7-11 year olds.

Young people are growing up in an increasingly digital world, exposing them to both the opportunities and risks of the internet. CyberSprinters empowers them to make smart decisions about staying secure online.

The digital game can be played on phone, tablet, and desktop, and is supported by a suite of activities to be led by educational practitioners working with 7-11 year olds. Parents and carers can also try the CyberSprinter puzzles with their children at home!

## Had A Clear Out During Half Term?

If you have any of the following items your household no longer needs, please pop them in a bag and drop at either site on **Monday 26<sup>th</sup> February**. These will then be collected on 27<sup>th</sup> February and weighed by Bag2School. The items are sent to different countries, so it is a great way to help others whilst raising funds for the school. The PTA will kindly use this money to help pay for trips, gifts etc for all the children in our school.
