Online Privacy

It is important to develop an understanding of how you can protect your child's privacy online. Any personal information shared online creates a digital footprint and it is vital that we control who sees what.

What are Privacy settings?

Privacy settings are tools available on most social media apps, websites, and games. They allow users to control who can view what they share online.

What can we do to support our children with their online privacy?

Talk to your child regularly: Talk to your child about what is personal information and to think about what they share online. Personal information includes their name, address, current location and the school they attend. This also includes information within photos or videos that they may share, for example does it show their current location?

Texting dictionary from Internet Matters

Internet Matters have created a list of text language terms to help you understand some of the text slang that your child might be using. Find out more here:

In the meantime, Mrs Mather will continue to lead SEN provision this term with the help of Mrs K Pearce from the Wellbeing team.

If you need to contact either Mrs Mather or Mrs Pearce, please do so via the school office.

Year 6 Visit to Hagley Place

Last Friday, 12 Year 6 children visited Hagley Place to celebrate the 80th D-Day Anniversary and National Picnic week.

The children spent time with the residents, played games and shared stories.

Clee View Parents

Could we please ask that, as you are within the school premises when you collect your child/children from the playground at the end of the day, that you refrain from using your mobile phone. This is in accordance with our policy and for safeguarding purposes.

Could we also ask that parents are not riding scooters while on the premises.

Sandpits Road Parents

As a gentle reminder, the drop off and collection for Sandpits Road is a driveway leading into a carpark where staff and visiting professionals park their cars.

Can we please ask that while waiting in the carpark at any time, parents, carers and children keep away from these cars to avoid any damage and for health and safety reasons as outlined in the school's risk assessment. This includes standing in front of the cars as this also means, it makes it very difficult for staff to see you at handover.

Thank you for your cooperation with these matters.

Childcare through the DFE

The DFE have launched a new site for parents to check if you are eligible for free childcare:

<https://www.gov.uk/check-eligible-free-childcare-if-youre-working>

There is also a childcare account that parents must log into every three months to ensure they get free childcare if they are working or for Tax-Free Childcare:

Contacting Teachers and Senior Leaders

If any parent has a concern to raise with a teacher or senior leader, we respectfully ask this is done via the school office or
admin email – admin@ludlowprimaryschool.co.uk

This will enable your query to be dealt with more effectively and efficiently.

Thank you

Contact via Dojo

If you have concerns about any incident in school which involves your child, please do not message class TAs through Dojo or by any other means. Please direct all queries to the class teacher.

Please do not message outside of normal office hours, as staff do not receive notifications in the evenings or at weekends.
