2026 - The National Year of Reading!

Week 3 - Every Child Is a Reader

There is no single 'right' way to read. Picture books, comics, graphic novels, fact books and audio books all support literacy development.

Every reader is different - we all just need to find the books that bring us joy.

At home:

Celebrate your child as an individual reader! Interest and enjoyment foster motivation.

Recommended Read:

'I Wonder Where I Am?' by Shinsuke Yoshitake

This is a colourful book about how useful maps can be in everyday life, which is told in an engaging and humorous way. It challenges what a map is and cleverly explains, using entertaining examples, that maps can take many different forms and quite simply are a way to help someone understand something better.

Careers Day

We at Ludlow Primary School, are organising a careers day for the children on Friday 22nd May and would like to invite you to be involved.

The day will involve a short session talking to our children all about what you do and what an exciting career it is. The teachers will then follow this with a short activity for the children based on your talk.

We hope this will be a great opportunity for us to develop closer relationships with the businesses in our community and inspire the children about the world of work and their futures.

If you would like to be involved, please contact me directly or admin@ludlowprimaryschool.co.uk

Many thanks

2 Oak Farm Visit

We had an amazing time on our trip to the farm last week. Everyone was impeccably behaved, they were really curious about everything around them and asked amazing questions. I was very proud of each and every one of them.

Ludlow Town Council

Love Where You Live – Great British Spring Clean Kick-Off!

What a brilliant start to this year's Great British Spring Clean. Last Friday we were joined by 19 enthusiastic Year 6 pupils and two fantastic Teaching Assistants from Ludlow Primary School, who threw themselves into a community litter pick around Wheeler Road recreation area and nearby verges.

Together, we collected 10 full bags of litter and rubbish – a huge effort that's already made a visible difference to this well-loved local space.

A big thank you to Shropshire Council for the loan of equipment, and an even bigger thank you to the young volunteers whose energy and pride in their town shone through.

Here's to a cleaner, greener Ludlow – and to everyone doing their bit to love where they live.

New kids online safety website launched as part of government campaign.

Please click on this link: [Kids online safety](#)

Kids Online Safety

Find tips on how to help your child think carefully about online content. Asking your child about what they see online can help them build important life skills and support their wellbeing.

Every conversation is helpful. Making chats about content part of your family's weekly routine can make a real difference.

A new website has been launched to support families and encourage regular conversations about what they're seeing online, asking simple questions, like "who shared this" and "why?". Based on parents' main concerns and needs, it provides:

- tips for parents' conversations with their children
- actions to support each stage of their child's life
- parental controls information

We are also signposting to trusted resources from charities and third parties, where parents can access other forms of support (like speaking to an expert).

The website will continue to grow and be developed this year, supporting the [Online Safety Act](#) and wider government aims.

Contact via Dojo

If you have concerns about any incident in school which involves your child, please do not message class TAs through Dojo or by any other means. Please direct all queries to the class teacher.

Please do not message outside of normal office hours, as staff do not receive notifications in the evenings or at weekends.

Thank you

Parking

Please be considerate when parking near school, at all times.

We have been made aware of people parking in dangerous places and on the zig zags, making car park entry and exit difficult. The road outside Clee View was blocked recently, when a member of staff needed to be taken to hospital.

Emergency services must also be able to access both sites if required.

The local policing team have been made aware and will be making patrols at both sites.

Thank you for your help in this matter.

Our driver Healthy Body, Healthy Mind means that one of the things that we promote is having a balanced diet, rich in essential nutrients and therefore as a school a healthy lunchbox is important to us.

What should be in a healthy lunchbox?

Eating a healthy, balanced lunch is vital for ensuring children have the right nutrients and enough energy to see them through the school day, however, achieving this balance is not always as easy as it sounds. The key to a healthy packed lunch is variety and getting the right balance of foods to provide children with all of the nutrients they need to stay healthy. A packed lunch made at home can be a healthy and delicious choice and gives a parent or carer control over the foods and ingredients included.

These should be based upon the principles of the *Eatwell Guide*, encouraging a lunchbox to contain:

- a starchy food, e.g. potatoes, bread, rice, pasta
- plenty of fruit and vegetables, e.g. carrot sticks, an apple, sliced cucumber
- a source of protein, e.g. beans, pulses, egg, fish, meat
- a healthy drink, e.g. water, semi-skimmed milk.

As a healthier lunchbox school, we suggest to parents/carers that foods high in fat, salt and sugars should not be included (such as crisps, confectionary and sugar-containing carbonated drinks).

There are lots of websites regarding lunchbox ideas and recipes. Here's a link to one of them: [Lunchbox ideas and recipes – Healthier Families - NHS](#)
