#### Termly Focus Values

Honesty

### BRITISH VALUES

#### Mutual Respect and tolerance

Showing respect for ourselves and others and expecting it in return

#### Individual Liberty

Making choices and knowing, understanding and exercising rights and personal freedoms in a safe and supportive

### National Curriculum

**As Writers,** we will study poetry based on the seaside and we will write our own poem based on it. We will develop fiction writing skills using finding tales based on our Talk for Writing story 'Adventure at Sandy Cove'. We will also develop our non-fiction writing skills by writing a letter to the Year 2 children. We will use our spelling and grammar knowledge from our daily RWI spelling lessons to help us and we will continue to focus on letter formation and handwriting size.

**As Readers,** we will continue to use the Accelerated Reader scheme. We will focus on reading with fluency and expression. We will read The Sheep Pig by Dick King-Smith as a whole class novel using the ERIC approach (Everyone reads in Class) to help us understand the book. We will continue to use Cracking Comprehension to develop our comprehension skills.

**As Mathematicians,** we will follow the National Curriculum to understand time; angles; fractions and the properties of 2D as well as 3D shapes.

**As Scientists,** compare and group together different types of rocks, describe in simple terms how fossils are formed.

**As Historians,** we will study crimes and punishment throughout time.

**As Geographers,** we will be learning about how we are citizens of the world. We will be looking at the prime meridian, Tropics of Cancer and Capricorn and the poles.

**As Designers,** we will experiment with the Makey Makey kit which enables us to control computers using every day objects.

**As Artists,** we will study work of the Impressionists and develop our painting skills using water colours. We will also work with Shropshire Music service in Summer 2.

**As Musicians,** we will continue to follow the Sparkyard programme, discussing pitch and the pentatonic scale.

**In P.E.** we will develop our cricket skills, athletics ability and improve our personal bests using the REAL PE programme.

**In Computing,** we will use Purple Mash to explore touch typing.

**In R.E.** We will find out how celebrating Shavuot helps Jewish children feel closer to God

**In PHSE,** we will use the Jigsaw programme and explore relationships and Changing Me.

**In Spanish,** we will use the Language Angels programme focusing on fruit and vegetables and animals.

**Trips and Visitors:** we will visit the Shropshire Hills Discovery Centre for our Rocks and Fossils workshop. We also hope to visit The Judges Lodgings in Presteigne.
